### LION STORY IN PAGEANT

Pageant Magazine in its October issue will tell the story of Port Lions, Alaska, the newly created town on Kodiak Island that owes its existence to the efforts of District 49 Lions.

When the nearby village of Afognak was destroyed in the March, 1964 earthquake, Lions took on as a project the relocation of residents and the building of a new town (THE LION, November).

The issue will be on the newsstands September 9. Author of the article is Herb Hilscher, a member of the Anchorage club which spearheaded the project.

### PAST PRES. DIES

William A. Westfall, the tenth President of Lions International (in 1926-27), has died. He was 87.

Lion Westfall passed away in a Mason City, Iowa nursing home after a long illness.

During his administration as International President, Lionism was extended to Mexico and China. Later, he served for many years as Chairman of the Constitution and

By-Laws Committee of the International Board of Directors.

Lion Westfall was charter president of the Mason City club, organized in 1921. In 1923, he was elected Third Int. Vice-President; in 1924, Second Vice-President, and in 1925, First Vice-President. His Second Vice-Presidency came during the administration of then Int. Pres. Harry A. Newman of Toronto, Ontario. Past Pres. Newman represented Lions International at the funeral services in Mason City.

Lion Westfall was a prominent attorney in Iowa and practiced law there for much of his professional career. He was graduated from the University of Michigan in 1900. He was a member of the Masonic order, and was a Grand Master of the Masonic Lodge of Iowa in 1919-20.

He was known by his nickname, "Westy," to his friends. Oldtime acquaintances recall him as a quiet, affable man whom one instinctively liked.
