

Membership Key Awards:

A New Look

A new procedure has been established for the issuance of Membership Key Awards. Effective July 1, 1995, these awards will have been earned for a total of new members sponsored, who have met the requirements for eligibility, in the following increments:

The key for an eligible sponsor will be issued automatically, 13 months after the date the new member was reported on the Membership and Activities Report. Note: These keys will only be issued for new members sponsored after July 1, 1995, and will not be issued retroactively. Only the next key for which a Lion qualifies will be issued.

All new members credited to a sponsor before July 1, 1995, will remain to that sponsor's credit, and new members sponsored after that date will be added to the sponsors list. Current keys will continue to be issued until August 1996, at which time the first of the new keys will be issued.

How do the new keys differ? They will all be of the same design, identical in shape and size, except for the number shown of new members who have been sponsored. The keys will be made to wear on the lapel or as a tie-tac and an appropriate card will accompany each award. All keys will be sent through the club secretary.
