AT YOUR SERVICE

Lions Clubs International Foundation has a team dedicated to serving you.

ONE LION CAN ACCOMPLISH MUCH. TOGETHER, WE CAN CHANGE THE WORLD.

Natural disasters strike anywhere, any time. When they do, victims of fires, floods, and other devastation often benefit from funding from LCIF, facilitating rebuilding and healing one victim, one family, one community at a time.

In 2017, an angry wildfire began raging in Mariposa County, California. Consuming its way through 80,000 acres and seemingly everything in its path, the blaze forced nearly 5,000 people to evacuate. With an emergency grant from LCIF, local Lions were able to serve 4,500 meals each day to residents who suddenly found themselves displaced from their homes, their livelihoods, their lives.

Many say the world's needs are too great. Lions step in and serve. Together with our Foundation, we offer hope and impact lives. Campaign 100 will enable us to serve hundreds of millions of people here at home and continents afar.

Together, we can. Together, we will.
