Words from the President

What happened to SUMMER? Temperature got down to the low 40's and the kids are going back to school next week so it will probably turn "HOT" for them and the football players.

Lions Club activity will start again in September (we are idle for the Summer) pin swaps are on the horizon and the USA/CANADA forum will be in Kansas. We hope to attend several swaps and the Forum to renew friendships and to make new ones. Also just might trade a few pins as the 2014 pins are starting to appear.

Remember that we are Lions "FIRST" and pin traders "SECOND" so be sure to attend your club meeting and participate in all of the club projects. How about we all make a "PLEDGE" to get at least "ONE" new member for our club and "ONE" for our pin trading club as well. Do not forget the LITPC scholarship program.

FUN, FELLOWSHIP and HARMONY should be goals for every Lion so enjoy the new Lion's year, get "INVOLVED".

Yours in Lionism

Merle Dutt, President

GUIDELINES GOVERNING THE “HOLIDAY” SERIES

1. The Series will include all pins issued between 1 July 2013 and 1 June 2015, which is prior to the LCI convention in Honolulu. This will give us all an opportunity to “celebrate” or “salute” each Holiday in the calendar year and will even allow for some additional time to possibly issue some for Holidays that we missed.
2. All pins in this series will be included in a special catalog, as well as being featured on the LITPC website. To enable all who wish to have a hard copy catalog, we will need your email address. You may send that to PCC Bill Smith at tabs52@comcast.net. This way, you can print your own hard-copy catalog. In this connection, if you have been receiving updates to the Military Series, you will automatically continue to receive the updates to the new “Holiday” series, unless you specifically request discontinuance. The catalog will also be shown on the LITPC website. There are no objections to having the catalog shown on other websites within the pin trading community.
3. The pins in this series will be limited to those that feature some form of recognition of an established holiday in the geographical areas of the pin trading community. Webster’s New World dictionary defines holiday as “a day of freedom from labor; day set aside for leisure and recreations; a religious festival; holy day; a period of leisure or recreation and vacation; a day set aside by law or custom for the suspension of business; a day or period of joyous time as in the holiday spirit.” We recognize that there may very well be holidays that many of us have not heard about since they are celebrated primarily in restricted geographical areas within the pin trading community. This should only add to the fun of such a series as long as the images maintain a degree of decorum and are not offensive in any manner.
4. Only pins that are made by an LCI authorized pin maker will be included in this series. Unmarked pins on the reverse shall be deemed to NOT be in compliance with this criteria.
5. There are no objections to the use of cartoon type pins as long as they are not offensive to most people. Should you decide to use a cartoon character, it is YOUR responsibility to assure that there are no copyright or registration restrictions involved. If there is any doubt in your mind on this, it is YOUR responsibility to get the proper releases from the issuing authority.
6. The single greatest objection voiced during the conduct of prior series has been that associated with big sets, i.e., more than 6 to 9 pins. Many individual pin traders have come to the realization that it is simply impossible to become actively involved when they are faced with the task of finding enough tradable pins to satisfy the big set traders. Consequently, they opt out of a series and, in some cases, consider opting out of pin trading altogether. The big sets at some of the swaps are, for the most part, exempt from this problem since the issuing authority requires the participants in the sets to trade pins on a one-for-one basis. That is in the true spirit of pin trading since it stimulates rather than inhibits individual trading. We strongly encourage the issue of individual pins rather than sets. However, when a set is agreed upon, we likewise strongly encourage that each participant in the set be restricted to one set only, as a means of increasing the trading of the individual pins.
7. If you feel you must issue a set, all individuals MUST be a member/spouse of the LITPC or one of the approved District or Multiple District pin trading clubs. We also discourage you from asking those members who, for whatever reason, fail to attend established pin swaps or Lions conventions or who refuse to trade by mail, since it makes it next to impossible to obtain their pins.
8. Send ONE of each pin for scanning and insertion in the catalog to PCC Bill Smith, 3643 Osborne Drive, Warrenton VA 20187. Please indicate whether you wish to trade, sell, or have the pin(s) returned. For those who wish to contact PCC Bill regarding the series or to have your name added to the update distribution list, you can email him at tabs52@comcast.net, or you can reach him by phone on 540-349-274
