Words from the President

Greetings all,

Spring is right around the corner as our groundhog here in Marion (BUCKEYE CHUCK) predicted an early spring. Just finished with a record snowfall that beat all previous records in February. My snow blower and I were both worn out.

Spring means Pin Swaps and the first we attended was the BIG swap in Pennsylvania in York. Coming up now are swaps in North Carolina, our own Huge Mid-West in Moline hosted by the GREAT lions of Minnesota and then the alternate site in Denver in May. Promises to be a good time for all attendees.

Please do consider inviting lions to join the LITPC as the drive is on to increase membership as we strive to bring New and ENERGIZED blood to our wonderful organization. You will even receive a SPECIAL pin for each new member.

Our Club will have some very NEW and INTERSTING pins that will be available soon. We have a good core of members but we too could use some new and refreshing ideas. Please see the article on page two about our carnation pins and how you can obtain one for sponsoring a new member, attending the state convention, and attending the winter retreat.

Yours in Lionism

Merle Dutt

New Carnation Pins to be Distributed at State Events

Attend the Ohio Lions State Convention on May 21-23, 2010. Bring the special program ad to the pin trading area and receive a red carnation pin.

Sign up a new member into the club and they will receive a pink carnation for joining. And since you are the sponsor, you will receive one too. This applies to all new members after April 1, 2010.

Attend the Winter retreat next January at Mohican State Park and visit the pin trading area. You may be blue about the weather at that time but this blue carnation will help cheer you up.

The white carnations are already planted and will be the pin distributed at the State convention in 2011.

Pins not to scale

We would first like to thank our friends in the Pennsylvania Pin Traders Club for this idea. Beginning at this year's state convention we will be distributing pins at our Multiple District conventions and Winter Retreats. The distribution of pins is for two reasons, to encourage participation at the Multiple District events and to encourage those attending to stop in the pin trading area to see what our hobby is all about.

Hopefully we will increase attendance at the event and also increase membership in the club. An ad has been placed in the Convention program and all attendees may bring that add into the pin trading area for a pin. Distribution will be limited to the first 250.

Make sure you attend the events and stop in the pin trading area to receive your special pin.

2010 Sydney Special Pin

The design has been approved for the special pin to be distributed to the attendees of the International Convention in Sydney Australia. The pin has been ordered and will be distributed at the Multiple District convention in May to Lions who are registered for Australia. This is the seventh pin in the series that started in Detroit in 2004.

New Amish Pin Still Being Designed

Artwork is not yet back on the latest addition to the Amish pin series started by the club a couple of years ago. We are still in need of future designs for the pins. We would like to continue this series for at least a couple of more years.

If any members wish to submit drawings for future pins they will gladly be accepted.
