September, 2014

Dear Lion:

Congratulations! This past year you have engaged and involved your club members in meaningful service. This is evident because your club has met the membership criteria for the year ending June 30, 2014.

Membership satisfaction not only benefits the association, it also directly impacts our communities, both locally and globally, through increased numbers of volunteers working to make a difference and serve those who need help the most.

Therefore, it is with great pleasure that I forward the enclosed Club President's Member Satisfaction Banner Patch for display on your club banner. The 1.35 million Lions worldwide appreciate your club's contribution to membership growth as you and your club members follow your dreams and strive to improve your local and world communities.

Kind regards,

Barry J. Palmer
Immediate Past International President
