

# 1980 October Anniversary Membership Growth Program

## A message from International President William C. Chandler

Dear Fellow Lion:

For more than 63 years, Lions Club International has built an outstanding record of service to communities and people in need. The ability of our Clubs to render this assistance depends on the dedication of each Lion. Our Annual October Anniversary Membership Growth Program provides each of us an excellent opportunity to invite others into our Clubs and, thereby, expand the capacity of Lionism to answer more of the needs of our fellow man in local and world communities.

The growth of a Lions Club is a team effort and I urge every individual Lion to join with his fellow-members in bringing in new Lions. Each Club will be strengthened by inviting service-minded men into Lionism and involving them immediately in the full range of Club programs and service. Teamwork is the key to the success of this program. . . teamwork; in organizing a strong membership committee; in inviting and inducting new members; and in maintaining the enthusiasm of those new Lions once they are inducted.

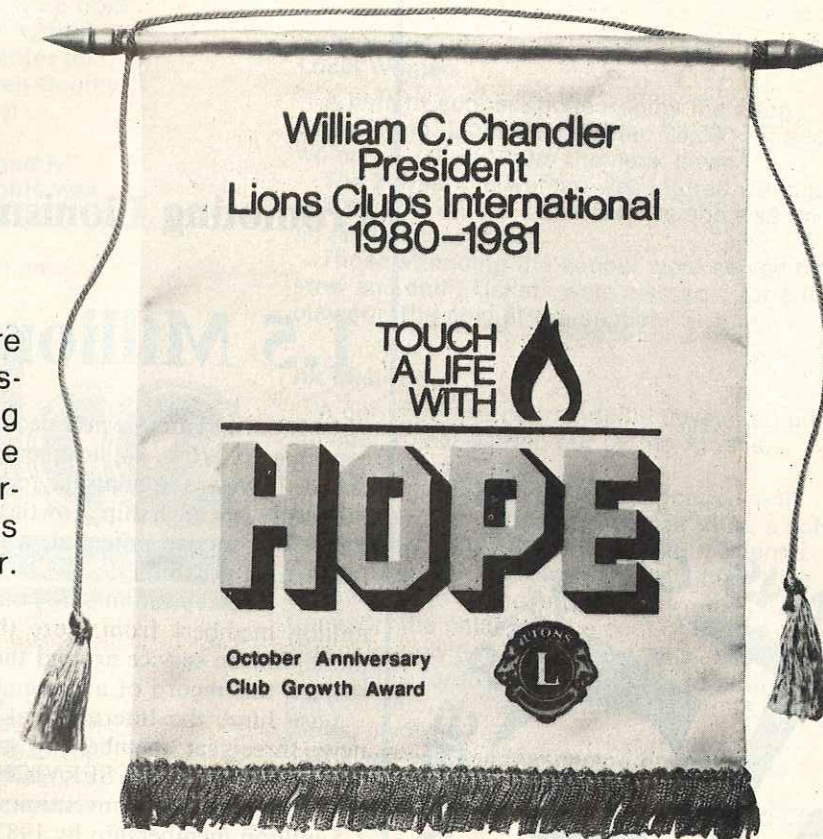

During our 1980 October Anniversary Membership Growth Program you will have an opportunity to earn special awards. These will signify your contribution to building a stronger Lions team. It will help your Club to better be able to reach out even more effectively to serve your community and to **TOUCH A LIFE WITH HOPE.**

Sincerely,

William C. Chandler  
President  
The International Association  
of Lions Clubs
