October, 2013

Dear Lion William Keller:

It's a pleasure to present you with your Silver Membership Growth Award Pin for successfully inviting a new member to join your club in October. Your contribution to the growth and health of your club is an inspiration to your fellow Lions and Lions around the world.

Membership growth strengthens clubs and increases our capacity to serve as Lions – more members mean more service. Each act of service brings us one step closer to achieving our dream of service for all.

Now that you have added a new member, I encourage you to make the member's experience the best it can be. Your club can do this by scheduling New Member Orientation, and by getting the new member involved in your service projects and club activities. This will help all new members see how much your club has to offer the community and your members.

Keep up the good work and go for a Membership Growth Award Gold Pin by sponsoring another Lion in April!

Kind regards,

Barry J. Palmer
