May, 2015

Dear Lion William Keller,

It's a pleasure to present you with your Silver Membership Growth Award Pin for successfully inviting a new member to join your club in April. Your contribution to the growth and health of your club is an inspiration to your fellow Lions and Lions around the world.

Membership growth strengthens the family of Lions and increases our capacity to serve as Lions – more members mean more service. Each new member enables us to share more, accomplish more and provide more service.

Now that you have added a new member, I encourage you to make the member's experience the best it can be. Your club can do this by scheduling New Member Orientation, and by getting the new member involved in your service projects and club activities. This will help all new members see how much your club has to offer the community and your members.

Keep up the good work, and keep building your membership!

Together in Service,

Joe Preston  
International President
